National Education Association Political Action Committee
ID: C00003251

Dear Neil:

I have received your letter (enclosed) dated August 5, 1998, regarding certain contributions reported on Schedule A of our June Monthly report. As you indicated to me on the phone, this letter was sent inadvertently by your office. You also indicated that the National Education Association Political Action Committee did not have to take any further action on your letter except to respond in writing to the Federal Election Commission that I received your letter. Accordingly, I acknowledge receipt of your letter and I do not intend to take any further action based on your instructions.

Also, please note for your records that Fred Suman is not the treasurer of the National Education Association Political Action Committee. The treasurer is Don Cameron and the assistant treasurers are Evelyn Temple and Gerard Polchinski.

If you need any further information, please feel free to contact me.

Sincerely,

Gerard Polchinski
Assistant Treasurer
